Traditional Federation Style Awnings

AWNING
REPUBLIC

TIMBER AWNINGS

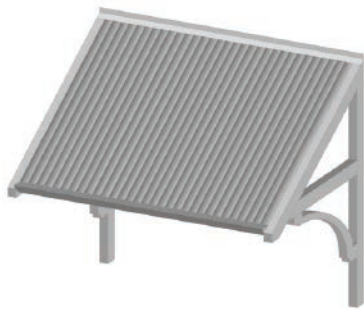

Awning Republic's Federation Timber Awnings are hand made from premium knot free treated pine, then primed and painted in a colour of choice.

Colorbond, Zinalume or Roof Tile cladding options available.

Ideal to keep rain, harsh direct sunlight and heat from windows and doorways.

All of our Traditional Federation Timber Awnings are custom made by hand to ensure the perfect fit and look for each individual property.

The best choice for home owners wishing to add, reproduce or reinstate timber awnings to their property.
