

CUBEN

Folding Arm Awning

AWNING
REPUBLIC

CUBEN

The premium folding arm awning that combines European design and technology to provide exemplary performance and durability.

Suitable for residential and commercial settings with easy, streamline installation options.

Fully closing cassette protects the awnings working parts and fabric from the harsh Australian climate.

The Multiflex 4-cable high-quality aluminium arm system combines with high-strength drop-forged cast parts ensures a greater flexibility to wind gusts and a overall strong wind rating.

A wide selection of premium acrylic canvas and frame powdercoating options available.

Available in a variety of widths, projections and installation angles.
