

THE PEMBROKE

Contemporary Traditional Awning

THE PEMBROKE

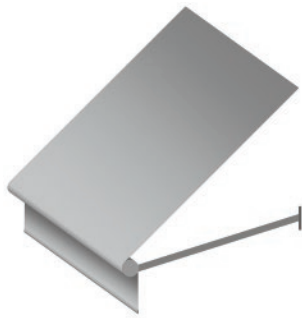

The traditional awning that incorporates seamlessly into any architectural design.

Based on the classic European design, the Pembroke incorporates custom steel arms, a fabric covered front rail and a weighted valance to create a sleek yet traditional awning.

Available in a wide selection of premium acrylic canvas and frame powdercoating options.

Option for fixed or retractable operations. Both use an easy, streamline installation.

Available in a variety of widths and projections to suit any window or door.
