

SHOP-FRONT AWNING

Traditional Commercial Shop Awning

SHOP-FRONT AWNING®

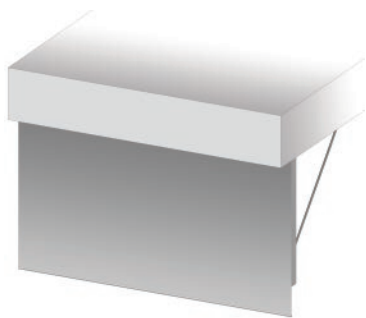

The traditional shop-front awning that combines European design with high durability.

Suitable for most commercial settings with an easy, streamline installation that blends into the existing built form.

Constructed from a powdercoated aluminium frame with high quality, 100% acrylic canvas enclosing a weighted bottom bar.

A wide selection of premium acrylic canvas and frame powdercoating colour options available.

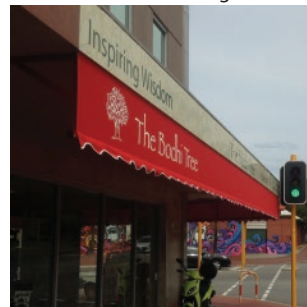

Full branding opportunities, creating a strong and enhanced street presence.
