

PURE Protect

Track Guided External Blinds

AWNING
REPUBLIC

PURE Protect

The high strength and versatile Track Guided External Blind.

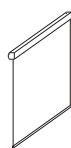

Designed in Australia for Australian conditions. No zips, ropes, straps or buckles.

Keeps areas warmer in winter and cooler in summer, enhancing any outdoor area.

Easy to use manual pull up and down operation or the option for motor with remote operation.

Manufactured using aluminium side tracks, bottom locking rail and heavy duty roller springs. Powder-coated a colour of choice.

Option for high quality Clear PVC or premium 2x2 PVC Sunscreen Mesh Fabric (standard or privacy) available in a variety of colours.
