

PURE Vision

External Blinds

AWNING
REPUBLIC

PURE Vision

Our Pure Vision Blinds™ have been designed to provide commercial quality outdoor blinds that give ultimate sun protection to windows and outdoor areas.

Keeps areas warmer in winter and cooler in summer, enhancing any outdoor area.

Our fabrics are the highest quality external grade fabrics available and come in a wide range of colours and widths to suit individual requirements.

Available with either stainless steel side guide wires or clip down brackets, our Pure Vision Outdoor Blinds are manufactured in Perth WA.

Our Visionhold™ fabric gives you the option to have clear windows with a strong fabric border creating a stylish look that provides maximum strength and great branding opportunities.

Operated by either manual crank handle or remote control, our Pure Vision Blinds™ have been chosen by shopping centres, restaurants and cafes all over Australia.
